

Secure Attachments – Robust Learners- Building Futures

Your Space Therapies is a national award-winning service providing play therapy, child psychotherapy and counselling to vulnerable children. The Your Space purpose is to deliver step change to children and young people's emotional well-being, mental health and educational attainment.

Your Space offers a space to explore life debilitating emotional issues, trauma and behaviours that children and young people may experience. We work holistically with school staff to promote therapeutic thinking in schools in order to significantly impact children's mental health. We can provide therapy for children and young people aged 3 to 18 as well as consultancy and training.

We currently have vacancies for paid therapists ***we will also consider trainee child counsellors and child psychotherapists in their final year of training:***
