## DETAILED RISK ASSESSMENT

|                             |                  |              |        |
|-----------------------------|------------------|--------------|--------|
| <b>Risk assessment</b>      | COVID-19         |              |        |
| <b>Task being assessed:</b> | Kew Green Hotels |              |        |
| <b>Assessor's name:</b>     | Matthew Collins  | <b>Date:</b> | Jun-20 |

| HAZARD / HARM POTENTIAL |  | SEVERITY<br>1 to 6 | FREQUENCY<br>1 to 6 | RISK SCORE |
|-------------------------|--|--------------------|---------------------|------------|
| 1                       | COVID-19 infection with potentially fatal consequences |                    |                     |            |
| 2                       |  |                    |                     |            |
| 3                       |  |                    |                     |            |
| 4                       |  |                    |                     |            |
| INITIAL RISK SCORE:     |  | 6                  | 2                   | 12         |

## ADDITIONAL CONTROLS NEEDED TO REDUCE LIKELIHOOD OF INJURY

|                             |  |   |   |    |
|-----------------------------|--|---|---|----|
| 1                           | At this moment in time there are no additional controls that can be implemented that would have a significant impact on reducing the likelihood of infection and therefore the overall risk rating remains the same. |   |   |    |
| 2                           | This is based upon all control measures recorded in the COVID-19 General Risk Assessment being fully implemented and maintained.   |   |   |    |
| 3                           | The existing controls are considered to be everything that are reasonably practicable to reduce the risk of infection, but recognise that they cannot completely eliminate the risk of COVID-19.                     |   |   |    |
| 4                           |  |   |   |    |
| 5                           |  |   |   |    |
| 6                           |  |   |   |    |
| REVISED SCORE ONCE CONTROLS |  | 6 | 2 | 12 |
